Why Bedford Springs Resort?

PSOMS is trying something a little bit different this year. President Gary Seldomridge and the Board wanted to make our annual spring meeting more than just a fly-in educational seminar. They wanted our members to come, learn, reestablish old relationships and begin new ones. They know there is much more to a successful organization than the events it offers and the number of members it has. It's about sharing! Sharing time, sharing talents and sharing ideas. And Bedford Springs Resort is the perfect place to do it.

Bedford Springs is located just three miles off the PA Turnpike exit 146. The Resort is 90 minutes from Pittsburgh, 90 minutes from Harrisburg and 3 hours from Philadelphia. Our meeting this year begins on a Monday so come early and enjoy the weekend at one of the nicest resorts Pennsylvania has to offer!
